Welcome to the 2018/2019 season at South Molton Junior Football Club - If your child is an existing member of the club, thank you for joining us for another season. If your child is new to the club - welcome, we hope you and your family enjoy being part of the South Molton FC community.

Website

Everything you need to know about South Molton Football Club can be found on our website at www.southmoltonafc.co.uk. There you can find details of our committee members, club documents and the FA's Respect Campaign. Please take the time to read the information and watch the [Respect Videos](#) on the website with your child. And please make sure you all read the attached Codes of Conduct for players and supporters. By signing and returning your membership form, you are confirming that you have read and will act in accordance with the codes of conduct and follow the principles of Respect.

It goes without saying that players must show respect at all times to their team mates, coaches, match officials, other spectators, the opposition and the opposition's coaches and facilities. These rules also apply to parents and spectators - it is never acceptable for an adult to undermine a player, coach or match official from the sideline and it is inappropriate for parents/guardians to enter the playing area unless permitted to do so by match officials - please let the referee and coaches deal with any issues that arise. There have been incidents in the past where the club has been fined for the behaviour of player's parents. Any such fines will be passed on to the parents in future. South Molton FC wishes to uphold a reputation of being a respectful club in terms of behaviour on and off the pitch and our players and young spectators will follow the examples set by the adults around them - so let's make sure that the examples we set are good ones.

Welfare

Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to the Football Association's Safeguarding Children Policy. The club's Child Welfare Officer is Sarah Seatherton (email: sarahseatherton@gmail.com) and our [Child Protection Policy](#) is available on our website. Any concerns regarding child welfare should be directed to the Child Welfare Officer in the first instance.

Training Season

Training usually starts again in September and will run until the end of the football season in May. Some managers may start training sooner and some may finish training slightly after the end of the season, but this is down to the discretion of each manager. Please remember that our coaches are volunteers (many coach more than one age group) and that the organisation involved in running each age group is a very time consuming commitment, which does impact on their own time. Either way, to allow for pitch maintenance and preparation for the new season, all age groups will finish training by June.

Age Group Training Information and Contact Details

As in previous seasons, training is held at South Molton Football Club (SMFC), Alswear Old Road, South Molton EX36 4LA between September and October. When the clocks change in October, training moves to South Molton Community College (SMCC), in the Sports Hall for the Mini-Kickers and the Astro Turf for the other teams, for the winter period until the clocks change again in the spring. In the spring, training returns to the Football Club.

Please note that training times may change when we move to South Molton Community College due to the availability of the facilities. Your child's coach will always let you know if training times change.

In the Winter, training dates will run in line with the school holidays as we are unable to hire the facilities at South Molton Community College during the school breaks, again your child's coach will let you know when training isn't on.

Membership & Payment

We are dependent on revenue coming in to the Club to ensure we can keep going. We attempt to do this in a number of ways, such as fundraising events, sponsorship & through our very successful Tea Hut. Unfortunately, this alone is not enough, so we must charge our players a membership fee. This helps cover the costs of training the coaches, CRC checks, AstroTurf hire fees, league fees, ground maintenance, insurance and general equipment such as balls and bibs. We have always tried to keep the registration fee to a minimum however, this year due to increased costs - which include a 17% rise in fees for use of the AstroTurf over the winter - **we are having to increase the membership fee by £5.00 per player**. Please be assured that this increase applies to all members of the club, including the children of all of our coaches and committee members.

Families with more than one subscribing player will pay the full membership fee for the first child and then be entitled to a discounted subscription for the next child. Subsequent siblings will be free.

Concessionary membership will be considered in circumstances of hardship. The Welfare Officer together with a few members of the Committee will have the delegated authority to grant concessionary membership which will be reported retrospectively, to the General Committee. If any parent/guardian feels that they cannot afford to pay the membership fees, please contact either your age group manager, Sam Piper (Membership Secretary - email: membership@southmoltonafc.co.uk) or Sarah Seatherton (Welfare Officer - email: sarahseatherton@gmail.com) before a payment is due. Any request for assistance in payment will be treated in the strictest confidence. The Club is keen for all young players to have the opportunity to play football so please speak to us regarding your payment if you genuinely need to.

In circumstances of non-payment of membership fees by the due dates where there has been no contact with the Team Manager or the Membership Secretary or Welfare Officer to discuss concessionary membership then players will not be able to continue training with the club or to play in matches.

You will appreciate that it is not fair on those that pay their membership fees to have families who have chosen not to pay to continue to take part in training and matches. You will also appreciate that the club is run by volunteers, who all pay the membership fee for their own children and who have to give up a considerable amount of their own time to deal with non-payment.

Please be aware that the payment dates set out below **MUST** be adhered to if you wish for your child's membership to continue and that **by signing and returning our membership form you are committing to paying our fees.**

Contact & Medical Information

So that we have up to date contact and medical information, and so that we can register your child to the appropriate league, **it is important that you return your membership form to us as soon as possible**. Sam will be attending every age group's training session for the first two weeks when we return in September, so forms can be handed to her then. Alternatively, you can complete, scan/photograph and email your form to Sam at membership@southmoltonafc.co.uk to speed up the process. If you wish to wait until closer to the 30th September to pay your child's membership fee please still return the membership form within the first two weeks - simply detach the payment slip at the bottom of the form and return it with your payment when you make it.

Playing in Matches

Mini-Kickers - U11's

Format: friendly Round Robin matches - usually 7 a-side up to U10's & then 9 a-side matches played on bigger pitches and eventually leading to a league format at U11's.

SMJFC philosophy: All players will be contacted and offered the opportunity to play. Places will be chosen on a 'first come, first served basis'. Players that miss out on a place will be asked first for the next fixture. These are the formative years and all about fun and enjoyment. Coaches will use mixed ability teams to ensure that all players get equal game time on the pitch with rotation of positions to enhance player development. Coaches will try to make as many teams as possible with the number of players available for matches but this will also depend on the availability of volunteers and the willingness of parents to support our coaches. If a coach decides to enter a team for a tournament, organised outside of the usual run of matches, then they can choose their own squad and are not required to offer to all players.

U12's

Format: 9 a-side matches played on bigger pitches in league format

SMJFC philosophy: whilst the priority is still on enjoyment rather than a win at all costs. The coaches have the flexibility to select their teams and decide on positions of players and game time on the pitch, although it is recognised that all players should have an opportunity to play football. This can happen in a number of ways with additional friendly games being arranged with opposing teams or a manager trying to utilise the squad members to provide playing opportunities. It is at the manager's discretion as to who they select

and the positions players play in. Players are still developing physically and mentally and consideration is given to this but it is the coaches who pick the team and respect must be given to their choices.

Stage 3: U13-senior

Format: 11 a-side on a full size pitch.

SMJFC philosophy: the priority is still on enjoyment rather than a win at all costs. Again, the coaches have the flexibility to select their teams and decide on playing time and positions and it is recognised that all players should have the opportunity to play football and a manager will try to utilise the squad members to provide playing opportunities. It is at the manager's discretion as to who they select and the positions players play in. Players are still developing physically and mentally and consideration is given to this but it is the coaches who pick the team and respect must be given to their choices.

Style of play: South Molton Football Club encourages our teams to play passing football along the ground and out from the back. We believe this is a more enjoyable way to both play and develop players as individuals. All of our players are told to play within the laws of the game and to respect the referee's decision at all times.

Social Media & Communication of Matches and Events

In the past coaches have managed the communication of matches and events in their own way. Some have used emails whilst some have used individual Facebook pages. This year, the club would like to use a more joined up approach towards communication and each team will be using an app called TEAMER to communicate information to their players and parents. The app was trialled by two of our Junior age groups and also our Senior team over the last season and it worked very well. It is an easy way for managers to inform players and their parents of matches and events. Managers can input the event details, where and when players should arrive, add notes or extra information for parents and schedule when they would like notifications to be sent out. Notifications are then automatically sent out to you via the app and you can simply accept or decline the invitation. Should a game be cancelled, due to the weather for example, the manager can simply cancel the game on TEAMER and the app will notify you immediately. There is also a Gallery feature on the app which allows you to upload photos and a Teamtalk feature for communication of other information.

Teamer will also be used by the committee to keep you up to date with upcoming social events - such as the Christmas & Summer Parties.

We will use the email address that you provide us with on your child's membership form to set you up on TEAMER (we can add more than one email address to a player so that both parents can have access if you wish) and then you will receive an invitation with instructions on how to accept. Once you're set up you will need to download the TEAMER app and then you'll be ready to go. You can also access TEAMER using an internet browser.

Individual team Facebook Pages will be closed and TEAMER and the Club's main Facebook page will be the main forms of contact. We would therefore encourage you to Like & Follow the main Facebook page for the junior section - www.facebook.com/southmoltonjuniorfootballclub/ to keep up to date with the club.

The club uses Facebook pages to communicate with parents/guardians. Children over the age of 13 may use Facebook, but FA guidance requires us to get your permission before allowing U18's access to our Facebook Pages. If your child is over 13, please indicate if it is acceptable to you for your child to 'like' the Club's Facebook pages by crossing through one of these options. If you indicate No, we will use Facebook's settings to ban your child from liking & commenting on our pages.	Yes	No

We all have a responsibility to promote high standards of behaviour in the game. This club is supporting the **FA's Respect programme** to ensure football can be enjoyed in a safe, positive environment. Remember, children's football is a time for them to develop their technical, physical, tactical and social skills. Winning isn't everything! By signing and returning this form you are confirming that you and your child have read, and will conform to, the attached Code of Conducts for Young Players and Parents/Guardians/Spectators.

By signing and returning this membership form, you are committing to paying the club's membership fees. Please speak to us about concessionary membership if you feel you need to. Cases for concessionary membership will be dealt with in confidence. In circumstances of non-payment of membership fees by the due dates where there has been no contact with the Club to discuss concessionary membership then players will not be able to continue training with the club or to play in matches.

Payment Information Slip

To ensure that we have up to date contact and medical information for your child it **essential** that you return your membership form as soon as possible.

To allow your child to settle in, **payment is not due until 30th September**, but if you would like to pay before then – that's great!

If you'd like to wait until 30th September to pay, return this the form but detach this slip and return it with your payment. If you're paying when you return your form, please still complete the information below. It is really important that this section of the form is completed & returned with your payment or when you have paid by BACs as it helps us keep track of payments received – thanks!

Please speak to your manager, our Membership Secretary (Sam Piper) or our Welfare Officer (Sarah Seatherton) if you'd like to discuss payment.
