

Welcome to the 2020/2021 season at South Molton Junior Football Club - If your child is an existing member of the club, thank you for joining us for another season. If your child is new to the club - welcome, we hope you and your family enjoy being part of the South Molton FC community.

### Player Registration

The 2019/2020 season saw the FA introduce a number of **mandatory requirements which are essential before players can be registered to play in any league**. These are as follows:

- Players **must** be registered with the Devon FA Membership Scheme - *The club will register all players for the Devon FA Membership Scheme.*
- Players **must** have a profile photo uploaded to the Whole Game System (the FA's Information System which is used by all leagues for game and player management). - *The easiest way to do this is to upload your child's photo as part of the online application process.*
- A parent link **must** be set up for every youth player on the Whole Game System - *to do this we will require a parent's email address and date of birth. This will then create a FAN (Football Association Number) for the parent and enable us to link the parent to the child on the Whole Game System. There is a space on the membership form for you to add your date of birth or if you already have a FAN (for example if you play league football yourself or are a coach or committee member) please add this to the form.*

***In order to register players with the leagues before the start of the season please go on the clubs website [www.southmoltonafc.co.uk](http://www.southmoltonafc.co.uk) and complete the online membership form as soon as possible. Payment of membership fees is available through our online membership form.***

### TEAMER & FACEBOOK

TEAMER and the Club's Junior Facebook page are SMFC's main forms of communication. We would therefore encourage you to Like & Follow the main Facebook page for the junior section - [www.facebook.com/southmoltonjuniorfootballclub/](http://www.facebook.com/southmoltonjuniorfootballclub/) to keep up to date with the club.

If you're not already set up, we will use the email address that you provide us with on your child's membership form to set you up on TEAMER (we can add more than one email address to a player so that both parents can have access if you wish) and then you will receive an invitation with instructions on how to accept. Once you're set up you will need to download the TEAMER app and then you'll be ready to go. You can also access TEAMER using an internet browser.

## **Website**

Everything you need to know about South Molton Football Club can be found on our website at [www.southmoltonafc.co.uk](http://www.southmoltonafc.co.uk). There you can find details of our committee members, club documents and the FA's Respect Campaign. Please take the time to read the information and watch the [Respect Videos](#) on the website with your child. And please make sure you all read the attached Codes of Conduct for players and supporters. By signing and submitting your membership form, you are confirming that you have read and will act in accordance with the codes of conduct and follow the principles of Respect.

It goes without saying that players must show respect at all times to their team mates, coaches, match officials, other spectators, the opposition and the opposition's coaches and facilities. These rules also apply to parents and spectators - it is never acceptable for an adult to undermine a player, coach or match official from the side-line and it is inappropriate for parents/guardians to enter the playing area unless permitted to do so by match officials - please let the referee and coaches deal with any issues that arise. There have been incidents in the past where the club has been fined for the behaviour of player's parents. Any such fines will be passed on to the parents in future. South Molton FC wishes to uphold a reputation of being a respectful club in terms of behaviour on and off the pitch and our players and young spectators will follow the examples set by the adults around them - so let's make sure that the examples we set are good ones.

## **Welfare**

Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to the Football Association's Safeguarding Children Policy. The club's Child Welfare Officer is Sarah Seatherton (email: [sarahseatherton@gmail.com](mailto:sarahseatherton@gmail.com)) and our [Child Protection Policy](#) is available on our website. Any concerns regarding child welfare should be directed to the Child Welfare Officer in the first instance.

## **Training Season**

Training usually starts again in September and will run until the end of the football season in May. Some managers may start training sooner and some may finish training slightly after the end of the season, but this is down to the discretion of each manager. Please remember that our coaches are volunteers (many coach more than one age group) and that the organisation involved in running each age group is a very time consuming commitment, which does impact on their own time. Either way, to allow for pitch maintenance and preparation for the new season, all age groups will finish training by End of May.

Training for 2020/2021 Season

Previously, training would be held at South Molton Football Club (SMFC), Alswear Old Road, South Molton EX36 4LA between September and October. When the clocks change in October, training would move to South Molton Community College (SMCC), in the Sports Hall for the Mini-Kickers and the Astro Turf for the other teams. And, when the clocks change again in the spring, training would normally return to the Football Club. However, until we get confirmation on availability at SMCC for Oct-March we are unable at this time to give you any training details for the Oct-March period. Your child's coach will always let you know if training times change, or training isn't on. Please see the table below for training times.

**Membership & Payment**

We are dependent on revenue coming in to the Club to ensure we can keep going. We attempt to do this in a number of ways, such as the 100 Club, fundraising events, sponsorship and advertising boards & through our very successful Tea Hut. Unfortunately, this alone is not enough, so we must charge our players a membership fee. This helps cover the costs of training the coaches, CRC checks, AstroTurf hire fees, league fees, ground maintenance, insurances, mandatory annual subscription to the Devon FA Membership Scheme for all players and general equipment such as balls and bibs etc. We always try to keep the registration fee to a minimum and this year no increase will be applied. Payments can be made through the online application process or:

By Bacs :

Sort Code: 55-50-29

Account Number 61084603

Please use your child's age group and surname as a reference – eg. U14GERRARD.--

In Cash - please place in an envelope and please mark your child's name and age group on the envelope  
Or, by Cheque - please make payable to SMJFC. Please place in an envelope and mark your child's name and age group on the back of the cheque & envelope.

**Families with more than one subscribing player** will pay the full membership fee for the first child and then be entitled to a discounted subscription for the next child. Subsequent siblings will be free.

**Concessionary membership** will be considered in circumstances of hardship. The Welfare Officer together with a few members of the Committee will have the delegated authority to grant concessionary membership which will be reported retrospectively, to the General Committee. If any parent/guardian feels that they cannot afford to pay the membership fees, please contact either your age group manager, or Membership Secretary - email: [membership@southmoltonafc.co.uk](mailto:membership@southmoltonafc.co.uk) or Sarah Seatherton (Welfare Officer - email:

sarahseatherton@gmail.com) before a payment is due. Any request for assistance in payment will be treated in the strictest confidence. The Club is keen for all young players to have the opportunity to play football so please speak to us regarding your payment if you genuinely need to.

**In circumstances of non-payment of membership fees by the due dates where there has been no contact with the Team Manager or the Membership Secretary or Welfare Officer to discuss concessionary membership then players will not be able to continue training with the club or to play in matches.**

You will appreciate that it is not fair on those that pay their membership fees to have families who have chosen not to pay to continue to take part in training and matches. You will also appreciate that the club is run by volunteers, who all pay the membership fee for their own children and who have to give up a considerable amount of their own time to deal with non-payment.

Please be aware that the payment dates set out below **MUST** be adhered to if you wish for your child's membership to continue and that **by submitting our membership form you are committing to paying our fees.**

### Contact & Medical Information

So that we have up to date contact and medical information, and so that we can register your child to the appropriate league, **it is important that you submit your membership form to us as soon as possible.** If you wish to wait until closer to the 30<sup>th</sup> September to pay your child's membership fee please still complete the membership form ASAP.

### Playing in Matches

#### Mini-Kickers - U11's

**Format:** friendly Round Robin matches - usually 7 a-side up to U10's & then 9 a-side matches played on bigger pitches and eventually leading to a league format at U11's.

**SMJFC philosophy:** All players will be contacted and offered the opportunity to play. Places will be chosen on a 'first come, first served basis'. Players that miss out on a place will be asked first for the next

fixture. These are the formative years and all about fun and enjoyment. Coaches will use mixed ability teams to ensure that all players get equal game time on the pitch with rotation of positions to enhance player development. Coaches will try to make as many teams as possible with the number of players available for matches but this will also depend on the availability of volunteers and the willingness of parents to support our coaches. If a coach decides to enter a team for a tournament, organised outside of the usual run of matches, then they can choose their own squad and are not required to offer to all players.

## **U12's**

**Format:** 9 a-side matches played on bigger pitches in league format

**SMJFC philosophy:** whilst the priority is still on enjoyment rather than a win at all costs. The coaches have the flexibility to select their teams and decide on positions of players and game time on the pitch, although it is recognised that all players should have an opportunity to play football. This can happen in a number of ways with additional friendly games being arranged with opposing teams or a manager trying to utilise the squad members to provide playing opportunities. It is at the manager's discretion as to who they select and the positions players play in. Players are still developing physically and mentally and consideration is given to this but it is the coaches who pick the team and respect must be given to their choices.

## **Stage 3: U13-senior**

**Format:** 11 a-side on a full size pitch (U13's play 9 a-side matches on a 9 a-side pitch)

**SMJFC philosophy:** the priority is still on enjoyment rather than a win at all costs. Again, the coaches have the flexibility to select their teams and decide on playing time and positions and it is recognised that all players should have the opportunity to play football and a manager will try to utilise the squad members to provide playing opportunities. It is at the manager's discretion as to who they select and the positions players play in. Players are still developing physically and mentally and consideration is given to this but it is the coaches who pick the team and respect must be given to their choices.

**Style of play:** South Molton Football Club encourages our teams to play passing football along the ground and out from the back. We believe this is a more enjoyable way to both play and develop players as individuals. All of our players are told to play within the laws of the game and to respect the referee's decision at all times.

## **Covid 19**

As you know, grassroots football has now been given the green light to resume (yay!) I'm sure everyone is excited to get back to playing again, but before we do it's important that players & parents understand the new covid regulations that are in place so we can all enjoy our football as safely as possible, below I have outlined the main points for you to read, apologies for the long message but this is important stuff.

- Goalkeepers must ensure their gloves are regularly disinfected
- There must be no sharing of equipment or kit
- Toilets will be open but with limitations on numbers
- Changing rooms will be closed , it is advised that players arrive in kit, ready to play.

- Players medical records must be up to date.
- Players will only be permitted to train & play within their age appropriate group.

We appreciate it's a lot to take in & a lot of patience will be required from all of us whilst we get used to it, ultimately though having these measures in place means we can all start playing the game we love again in a safe & enjoyable environment.
